CONTRACT
When signed for release, this custom-made medical device conforms with the general safety and performance requirements specified in Annex 1 of the Medical Devices Regulations. It has been manufactured to satisfy the design characteristics and properties specified by the prescriber for the above identified patient. If there are any essential requirements not met these will be stated. This statement does not apply to repairs etc. of a pre-manufactured appliance. It is the prescriber's responsibility to ensure that the prescription is completed correctly and complies to dental regulations. Prescriber Feedback: To enable our dental laboratory to comply with the Medical Devices Regulations for Post Market Surveillance, please inform us of any feedback or issues regarding the enclosed device(s) as soon as possible. Our MHRA reference number is 3943.
